

# Catapult Learning

Dear Parent/Guardian,

Catapult Learning is a private agency dedicated to providing educational and other related services to students from kindergarten through high school.

This school year, Catapult will be offering various counseling and discussion groups at your child's school to meet the social, academic and emotional needs of each individual child.

A certified school counselor will facilitate each of these groups.

In the event that your child will be participating in a small or class-sized group, you will receive a letter informing you of the content. All group scheduling will be discussed with your child's teacher to assure counseling will not conflict with his/her academic program.

In order for your child to participate, please complete and sign below. This form should be returned to your child's teacher as soon as possible.

If you have any questions, please contact Mother of Our Redeemer's administrative team.

-----  
I give my consent for my son/daughter to participate in the Catapult Learning Group Activities.
