

MOTHER OF OUR REDEEMER CATHOLIC SCHOOL

Dear Parents,

All of our students have worked very hard this year. For summer, Kindergarten-3rd grade students are assigned 1 book with a book report and the Summer Solutions Math Book; 4th-8th grade students are assigned 2 books with book reports and the Summer Solutions Math Book. While i-Ready is not a requirement during the summer, it can be used as extra practice until August. The book reports, Summer Solution Math Books, and i-Ready logs are due on the first day of school. You can find the Summer Reading Packets on our website. For incoming new students, you may purchase the Summer Solutions Math Book here:

<http://bit.ly/MORsummersolutions> SCHOOL CODE: H33015MOR

Thank you and have a wonderful summer!

MOR Catholic School Teachers
