

ARCHDIOCESE OF MIAMI

DEPARTMENT OF SCHOOLS
SUPERINTENDENT

November 18, 2020

Dear Parents,

At the Principal Meeting on Tuesday, we discussed how each school will evaluate the travel information that has been received and determine how and when students will return to school after the Thanksgiving break.

According to the 2020-21 calendar, the students are to resume classes on November 30. This week will now be a transition week. Your principal will provide you with information regarding how students will return to school from November 30 through December 4. The options are (1) in person learning and (2) virtual learning. Each school should identify models available at the local school site and provide the information to parents in a timely manner.

It is important to know that EACH school will provide their parents with the options for their school.

Wishing you and your family a blessed Thanksgiving.

Yours in Christ,

A handwritten signature in blue ink that reads "Kim Pryzbylski".

Kim Pryzbylski, Ph.D.
Secretary of Education
Superintendent of Schools
