

Dear Families,

Helping your child retain learning over summer vacation is important. i-Ready can help! Your child can work on i-Ready in Math and Reading from any computer or iPad (iOS 12 or higher) with internet access. Directions and tips are below:

- Students will continue to gain access through their regular school-year login url and credentials
 - a. Website: www.login.i-ready.com

- b. Students will then select the subject using either button:

- i-Ready will be available until **August 2nd, 2021**, after this date the system will not be available until the following school year starts.
- You can help support your child’s learning by:
 - **Asking questions** about each i-Ready lesson:
 - What is one thing you learned in your lesson?
 - What was one thing you thought was difficult?
 - What is a new word you learned in your lesson?
 - Checking your child’s progress by clicking on the **“My Progress”** icon

Ask questions about “My Progress”

- What do you notice when you look at this data?
- What is something you feel you are doing really well?
- What areas are challenging you?

- Fill out the **lesson log** attached to this document each time your child completes a lesson.
 - We recommend **1 math** lesson and **1 reading** lesson per week.
- **HAVE FUN!**
