KINDNESS · HUMILITY · FORTITUDE · GRATITUDE

Dear Incoming 8th Grade Parents and Students,

I pray this message finds you well. Below, you will find important information regarding summer reading and math activities to help prepare your child for 8th grade.

Reading

Students entering 8th grade are required to read *The War of the Worlds* by Novel by H. G. Wells over the summer. As they read, they must complete the accompanying reading Book Report, which is available on www.moorsch.org under Summer Information.

Students are expected to finish the book and bring both the book and completed Book Report to school on the first day of class. All materials will be collected and graded. During the first two weeks of school, students will complete a test, project, and additional assignments related to the book.

You are welcome to read the book with your child. Taking turns reading pages can make this a fun and meaningful experience for both of you. Please avoid allowing your child to watch the movie adaptation, if one is available, as it differs from the book and may cause confusion.

In addition to the book study, each student must complete a minimum of 10 teacher-assigned i-Ready Reading lessons before returning to school. Regular My Path will be available until July 31, 2026

Mathematics

Students are also required to complete the *Summer Solutions (Mathematics)* workbook over the summer. The completed workbook must be brought to school on the first day of class and will be graded. During the first two weeks of school, we will review the material and assess students through graded assignments based on the skills covered.

Parents must purchase the workbook through our online store at www.moorsch.org.

In addition to the *Summer Solutions (Mathematics)*, each student must complete a minimum of 10 teacher-assigned i-Ready Mathematics lessons before returning to school. Regular My Path will be available until July 31, 2026

Thank you for your support and partnership in your child's education.

God Bless You,
M.O.R. Catholic School Teachers

Mother of Our Redeemer Catholic School's mission is to be a Christ-centered school that instills excellence in learning, Catholic values, and service to the community within the framework of the Gospel.
