Welcome to CUDAS After School Program! 2026-2027 School Year

Dear CUDAS Families,

Welcome back to another faith-filled and exciting year at Mother of Our Redeemer Catholic School! With grateful hearts, we welcome all of our returning families and students, as well as those who are joining our CUDAS After School Program for the first time.

I have been a teacher and educator in many capacities at Mother of Our Redeemer Catholic School for 23 years, and our after-school counselors are alumni students from our school who have come back to teach what they have learned being a part of our CUDAS family while they attended school here. It is truly a blessing to spend the end of each school day with your children. Our time together is about so much more than after school care. Each afternoon gives us another opportunity to nurture our students, strengthen their relationships with one another, and continue to instill in them the beauty of our Catholic faith and the call to follow Jesus through discipleship. We hope to help our students understand that peace begins within each of us. Through kindness, humility, fortitude, and gratitude, we model God's love.
